Dear Sir:

This Amendment is in response to the Office Action mailed on August 9, 2006. This Amendment was not earlier presented because it responds to a new rejection of claim 7 and present arguments that the August 9th Office Action should not have been made final. The Amendment is also necessary and not previously presented because it amends the claims so that allowable subject remains as indicated by the Office Action.. Since claims 1, 2, 4 and 5 have been canceled and the claims have been amended to contain allowable subject matter, the issues for Appeal have been reduced. In addition, it is not believed that the present Amendment will require a new search to be made on the part of the Examiner. Accordingly, please cancel claims 1, 2, 4 and 5 without prejudice and amend claims 3, 6, 7 and 9 as follows:
